

INTERNATIONAL CONFERENCE FOR PERIANAESTHESIA NURSES

19th—22nd September 2013—CityWest Hotel, Dublin, Ireland

Dear Manda and BARNA Committee members,

On behalf of the IARNA and ICPAN committees I would like to thank you for BARNA's sponsorship of the poster prizes at our recent conference in Dublin. In the end we bought handmade candles in the shape of some very famous landmarks in Ireland. We wanted something uniquely Irish and with the limited time frame managed to source these prizes. They were so different that delegates asked where they could buy these candles to bring home to their countries. The winners also received rosettes which we sourced from the United Kingdom. I hope that your committee was satisfied with our final choice.

The Conference Committee is receiving very positive feedback, with delegates commenting that they found attendance at the conference beneficial to their professional development. This was the main goal of the committee throughout the planning of this conference and we are delighted to have achieved this.

This would not have been possible without BARNA's continued support of ICPAN so again **'THANK YOU'**. I hope that our associations will continue to work together in the future for the benefit of PeriAnaesthesia Nursing.

Kind regards,

Ann Hogan

IARNA Chairperson
